Re: Freedom of Information Act- Hoosick Falls PFOA

Dear Custodian of Records:

Under the provisions of the Freedom of Information Act, 5 U.S.C. subsection 552, I hereby request **all documents related to the contamination of the groundwater in Hoosick Falls, New York with perfluorooctanoic acid (PFOA) at any time including, but not limited to, testing records, studies, investigations, reports, possible causes, the identity of the potentially responsible entities, potential adverse health consequences, the duration of time residents were exposed to contaminated water, how far PFOA spread in the groundwater, the number of Hoosick Falls residents currently on the NYS Department of Health cancer registry and records of PFOA use by entities in Hoosick Falls.**

Our firm will be happy to pay your fee for reproduction. Kindly contact me with an amount prior to copying the records.

If for any reason any portion of my request is denied, please inform me of the reason for denial in writing and notify me of the appeal procedures available to me under law.

Very truly yours,

Marybeth Fennelly
Paralegal
